RathGibson — exceeding expectations

We will meet the challenge of your most demanding requirements. Here's how we do it:

- A customer focus philosophy is shared by every RathGibson employee. As a world class supplier of precision welded, welded and drawn, and seamless tubing in straight length, coil, and U-Bend configurations, we have achieved growth through product diversification.
- We manufacture tubing in stainless steel, nickel, and specialty alloys.
- Our unique capabilities include electropolishing, encapsulation of wire and fiber optics in coils, and the production of coiled tubing up to 80,000 feet.
- Our technical leadership drives our continuous improvement of production techniques and our quality system is built to satisfy even the most demanding requirements.
- We have an established and growing international presence.

We proudly serve these major markets

Chemical/Petrochemical/Power Generation

| | |
|------------------|---------------------|
| Heat Exchanger | Welded and Seamless |
| Condenser Tubing | Welded and Seamless |
| Feedwater Heater | Welded |

General Commercial

| | |
|-----------------------------|---------------------|
| Instrumentation Tubing | Welded and Seamless |
| Mechanical Tubing | Welded and Seamless |
| Specialty Automotive Tubing | Welded and Seamless |

Food/Beverage/Pharmaceutical/Medical

| | |
|----------------|--------|
| High Purity | Welded |
| Sanitary | Welded |
| Beverage Coils | Welded |

Energy/Oil & Gas

| | |
|------------------------------------|---------------------|
| Pressure Coils | Welded and Seamless |
| Encapsulated Wire and Fiber Optics | Welded |
| Subsea Umbilical Tubing | Welded |
| Offshore Topside Applications | Welded and Seamless |
